

A note from my cluttered desk Summer is here!!! Can I get a big Whoo Hoo!! Sleeping late, lazy days at the lake, going to the beach, camping, sleeping late, fishing, sleep-overs, vacations, sleeping late and more sleeping late! All are things we love to do in the summer. I hope your summer is filled with fun, relaxing time with family and friends. We have some really fun stuff planned for you this summer but I also hope it is filled with times that bring you closer to God. Whether summer camps, block parties, Gravitate, Wired Week, Sunday Bible study or just sitting in your room talking to God; as we use this time to refresh us physically, let our spirit be refreshed also. Psalms 23:2-3 tells us that God leads us beside still waters and restores our souls. Look for those "still waters" this summer and allow God to restore your soul. Summer..... a great time for rest.... physically and spiritually. Enjoy your fun in the sun and I hope to see you often.
