A note from my cluttered desk With this calendar comes some of the first signs of SUMMER! That is right Summer! Many of you will use this calendar to count down the days until school is out. While I know you are excited about all summer brings; sleeping late, days at the lake and beach, vacations, hanging with friends..... the list goes on and on. I want you to be excited about all God has in store for us this summer within the 516 Nation. Summer brings some great opportunities to grow closer to the Lord and build stronger relationships with your brothers and sisters in The Nation. So as you prepare and make plans for summer make sure you don't leave out the things that will give you the most benefit. Hebrews 10:25 tells us to not grow tired of meeting together as a body of believers. I am looking forward to a great summer coming up and I especially look forward to spending it with some of my most favorite people in the world.....The 516 Nation!
